BACHELOR OF COMMERCE (HONS.)

Three year full time (No. of seats: 120)

B.Com. (Hons.) is a three year undergraduate degree program modeled to provide the student with a wide range of managerial skills and building competence in a particular area. It also helps in preparing the students for the realities of the modern business world.

This program acts as a stepping stone for the students who wish to continue with higher education and pursue research in their chosen field as well as more advanced course work. This program is basically designed to integrate knowledge and skills and provide a high quality education in business studies. It is an intensive program which assists to serve the needs of those who intend to work in the business houses and also start their own businesses.

The Bachelor in Commerce (Hons.) intends to prepare students for their career in Accounting profession and Banking, Financial services and Insurance (BFSI) sector. It aims to develop requisite knowledge, skills, and attitudes in them to meet the challenges of the accounting, auditing, taxation, legal and BFSI sector domains. The endeavour of the programme is to develop skills focused in accounting. The programme will focus equally on theoretical and practical aspects of the above mentioned domains, promote an attitude of life-long learning among them and preparing them as professionals. On successful completion of Three years, a degree of Bachelors in Commerce (Honours) [B.Com. (Hons.)] is awarded to the students.
