MASTERS IN BUSINESS ADMINISTRATION (MBA)

MBA (FULL TIME) 2 YEARS PROGRAM (NO. OF SEATS: 300)

- Masters of Business Administration (MBA) is NBA Accredited, AICTE Approved, Post-Graduate degree course in management and its duration is 2 years (Four Semesters). The institute is NAAC 'A' accredited & Autonomous. The MBA degree is awarded by NAAC 'A' accredited Jiwaji University, Gwalior. The program is so designed that the students get balanced development in their conceptual understanding & practical/application exposure.
- A Masters degree in Management (MBA) has gained Importance in last two decades along with the increase in demand for management graduates in all functional areas of management (Marketing, Finance, HRM, International Business) in industries across sectors. Last decade has seen exponential growth in retail, banking, insurance, stock market, consultancy and research; generating further demand for management graduates.
- MBA graduates have higher chances of obtaining and holding a high level management position due to their qualification. It is estimated that 70% of the senior managers or board directors worldwide are MBA Graduates. Whether you wish to further your current career by advancing in a leadership position, or you want to pursue a new career, an MBA degree is definitely going to boost your chances of achieving these goals.
- As an MBA student you will have great networking opportunities. During your MBA study, you get to know and interact in a relevant manner with people from diverse backgrounds and develop insight that is a great asset, not only to you as a manager, but also to any potential employer. It is also important to note that during the two severe recessions in last decade hardly any MBA lost his/her job; indicating that MBA graduates have higher job security than other graduates.
- Your ability to get seed capital for starting a new business improves tremendously if you have done an MBA from one of the top B-schools in the country. You also get to interact with the best minds in the country where you can brainstorm your ideas & become an entrepreneur.
- The placements offered by the Industrial units belonging to all the sectors of economy to the students of MBA program of the Institute is a testimony of the desired skill set possessed by the students of this Institute. The program is also approved for the purpose of selection in defense forces through CDS route. MBA graduates are eligible to participate in selection process for administrative positions both at central and state levels. The program is also recognized by the public sector units for selection on executive positions.

The students of MBA program are offered specialization in Marketing, Finance, HRM and International Business. The Institute also offers job oriented certificate programs to the students of MBA program to enhance their employability at higher positions.

The Main objective of MBA program is to prepare students for senior executive level responsibilities in industries, banking, defense and administration. The Institute being autonomous, it has freedom to design syllabus and customize as per the best practices and industry requirements.
