

Institute Distinctiveness:

Socially Impactful Practices

PIMRG's one of the most prominent objective is Social support and practices which they are doing since starting. The discretionary socially responsible business practices PIMRG carrying is to support social causes, to improve community well being and to protect the environment. Our focus and distinction lies on activities related to ethical and moral standards that one should keep as well as to integrate the individual with his or her surrounding environment. Socially responsible practices are for community which includes our stakeholders (students), alumni, recruiters ,employees and the general public.

We have categorized social practices as :

Environmental or Sustainable activities:

The Environmental activities include:

We have functional ERP connecting all the departments and which minimizes the paper work at campus.

No carbon emissions are there in any practice.

Cashless campus, payments at different places and departments like Accounts and Canteen is through online payment.

We encourage our students and faculty for all environmental and sustainable practices.

The institute has taken several initiatives to deal with the waste produced at different levels.

These initiatives helps to reduce waste as well as to recycle the waste.

Philanthropic Activities:

The Philanthropic activities involves:

Various activities in relation to charity has been done. Rotoract Club at PIMRG is active contributor by conducting all these activities like 'Bhoj' event at 'Maanav Kusht Seva Ashram' and served people in every possible way and Sahyog: Stationery Distribution Drive for donating stationery kits to little ones in need.

Ethical Practices:

We try to incorporate ethical practices like Pro-metric examination, non acceptance of plagiarism in publication and assignment. ERP implementation is major step to keep ethical standards, everything transparent at all levels. Faculty, staff and students keeps integrity in their work area whether it is teaching, research and administration.

Volunteering Projects:

At PIMRG students and faculty take various projects of social welfare where they take social initiatives.

Self-financed 'Rotaract Club of PIMR Gwalior' has organized various events under the flagship of PIMR, Gwalior.

Blood donation camp, eye check up, blood sugar testing, Covid Vaccination drive and many more have been conducted by students with help of faculty and staff.

At PIMRG , fully functional Clubs and Committees supports social causes through their activities. The Calendar is prepared in the starting of an year and accordingly students perform these activities. During Covid, all the students and team members supported in the social cause by conducting Vaccination drive, food donation etc.

Institute believes in providing all resources to run these activities like running campaigns for presence and awareness of issues and their solution and in every way.
