1. Introduction

All examinations leading to the award of Degree are held under the supervision of the Controller of Examinations (CE). The CE upholds the responsibility to extend and safeguard the confidentiality and execution of all the examinations together. The CE follows the standing operating procedures for the operations of the department.

The Office of the CE prepares the schedule for all the examination and publishes it with the consent of the Chief Exam Controller. The syllabi of various courses are collected from the Academic Cell after the presentation and approval in BOS, AC and Governing Body and keep them for the use for end semester examinations.

Information to be intimated to the students are sent on notice board, website and ERP by the office of CE and this enables the candidates to know the detailed notification for the examinations. The IT integration has been in complete examination process right from the exam form filling to fee payment, admit card generation, and result declaration.
