PIMR - Studio

PIMR has its own dedicated professional studio which is equipped with a multi-camera set up, complete lighting and other necessary equipment. It is a multi-use space for interviews, video production and studio photography. The students get the exposure and working experience on high end equipment which impart confidence to fit into contemporary establishments, channels or production houses. It also has audio recording studio for voice-over recording, sound effects, and various audio programs.

Technology and studio equipments include:

1. P.C.R (Production Control Room)
2. Audio Recording Studio
3. Latest Cinematography Technology
4. Advanced Editing Setup
5. Chroma Setup for special effects
6. Hard Set Room
